Tuulo ku taal dhinaca hooseyo buurta Kenya ee Bariga Afrika, gabar yar ayaa hooyadeed kala shaqeyn jirtay beeraha. Magaceedu waxa uu ahaa Wangari.

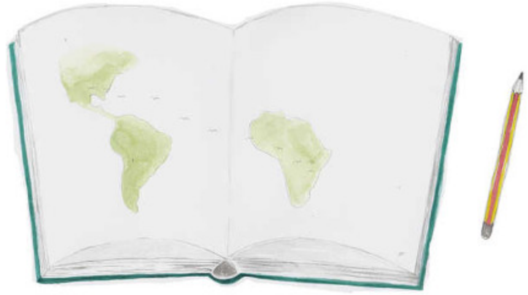
Wangari bannaanka ayay aad u jeclaan jirtay. Baangad ayay ku qodqodday carrada beerta qoyskooda. Waxayna dhulka qandacsan ku aastay miro aad u yaryar.

Watigay ugu jeclayd maalinta waxa uu ahaa marka ay cadceeddu dhacdo. Marka ay mugdi saaid u noqoto aragtida dhirta, Wangari waxay ogaataa in ay tahay xilligii ay guriga aadi lahayd. Waxayna qaadaa waddoyin dhuudhuuban oo dhex maro beeraha, ayadoo gudbeyso webi yaal markay baxdo.

Wangari waxa ay dhimatay 2011, laakiin waa aannu xusuusannaa mar walba oo aan aragno geed qurux badan.

Wangari si adag ayay u shaqeysay. Dadka dunida oo dhan ayaa ogaaday, waxaa na la siiyey abaalmarin caan ah. Waxa la yiraahdaa Abaalmarinta Nabada ee Nobel, waxa ayna noqotay haweeneyda ugu horeysay ee kaligeed Afrika laga siiyey abid.

Wangari waxa ay ahayd ilma farriid ah wayna sugi la eyd in ay iskuul aado. Laakiin hooyadeed iyo aabbaheed waxa ay doonayeen in ay joogto oo ay guriga ka caawiso. Markii ay toddoba jirsatay, walaalkeed ka weyn ayaa ku qalqaaliyey waalidkeed in ay u oggolaadaan in ay iskuul aaddo.



Way jeclayd in ay wax barato! Wangari waxay wax ka baratay in badan oo badan buug walbey aqrisay. Iskuulka oo ay aad ugu wanaagsanaatey darteed waxaa lagu casuumay in ay wax ku barato dalka Maraykanka. Wangari waa ay faraxday! Waxa ay doonaysay in ay wax badan ka ogaato dunida.

Waxuu waqti gudbo ba, dhirtii cusbeyd waxa ay noqotay kayn, webiyadiina mar kale ayay biyo keeneen. Farriintii Wangari, Afrika ayay ku faaftay. Maanta, malaayiin geedo ah ayaa ka soo baxay mirihii Wangari.

Wangari way garanysay waxa ay tahay in la sameeyo. Waxa ay bartay haweenkii sida dhirta miro looga abuuro. Haweenku dhirta ayay sii iibin jireen lacagta ka soo baxdana waxay u isticmaali jiren in ay qoysaskooda ku daryeelaan. Haweenkii waxa ay noqdeen kuwo faraxsan. Wangari ayaa ka caawisay in ay dareemaan awooddooda iyo xoog.

Wangari wax badan oo cusub ayay ku baratay jaamacada maraykanka. Waxa ay baratay dhirta iyo sida ay u baxaan. Waxa ayna xusuusatay sidii ay usoo kortay: la ciyaarki walaaladeed hooska geedaha kaymihii qurxoonaa ee Kenya.

Markii ay wax sii baratiba, waxa ay sii ogaanaysay in ay dadka Kenya aad u jeceshahay. Waxa ay doonaysay in ay noqdaan kuwo faraxsan oo xor ah. Markii ay wax sii baratiba, waxa ay soo xusuusan jirtay gurigeedii Afrika.

Markii ay wax barashadeedii dhammeysatay, waxa ay ku noqotay Kenya. Laakiin wadankeedii waa is beddelay. Beero baaxad leh ayaa is daba jiidnaa dalki. Haweenku ma heysan xaabo ay wax ku karsadaan. Dadku fakhri ayay ahaayeen, carruurtuna waa ay gaajeysnaayeen.
