Mon village avait plusieurs problèmes. Nous faisons la file pour aller chercher de l'eau d'un seul robinet.

...

My village had many problems. We made a long line to fetch water from one tap.

Nous attendions la nourriture donnée par les autres.

...

We waited for food donated by others.

Nous avons barré nos maisons tôt à cause des voleurs.

...

We locked our houses early because of thieves.

Nous criions tous avec une voix, « Nous devons changer nos vies. » Depuis ce jour, nous avons travaillé ensemble pour résoudre nos problèmes.

...

We all shouted with one voice, "We must change our lives." From that day we worked together to solve our problems.

Plusieurs enfants avaient lâché l'école.

...

Many children dropped out of school.

Un autre homme se leva et dit, « Les hommes
creuseront un puits. »

...

Another man stood up and said, "The men will
dig a well."

Les jeunes filles travaillaient comme domestiques dans d'autres villages.

...

Young girls worked as maids in other villages.

Une femme dit, « Les femmes peuvent me joindre pour cultiver de la nourriture. »

...

One woman said, "The women can join me to grow food."

Les jeunes garçons se promenaient autour du village pendant que d'autres travaillaient sur des fermes.

...

Young boys roamed around the village while others worked on people's farms.

Juma, âgé de huit ans et assise sur un tronc d'arbre, cria, « Je peux aider à nettoyer. »

...

Eight-year-old Juma, sitting on a tree trunk shouted, "I can help with cleaning up."

Quand le vent soufflait, des déchets de papier pendaient des arbres et des clôtures.

...

When the wind blew, waste paper hung on trees and fences.

Mon père se leva et dit, « Nous devons travailler ensemble pour résoudre nos problèmes. »

...

My father stood up and said, "We need to work together to solve our problems."

Les gens se faisaient couper par de la vitre
brisée lancée sans faire attention.

...

People were cut by broken glass that was
thrown carelessly.

Les gens se recueillirent sous un grand arbre
et écoutèrent.

...

People gathered under a big tree and listened.

Puis un jour, le robinet se tarit et nos
conteneurs étaient vides.

...

Then one day, the tap dried up and our
containers were empty.

Mon père marcha de maison en maison et
demanda aux gens de participer à une réunion
du village.

...

My father walked from house to house asking
people to attend a village meeting.
