Tani waa sheekada Ngede, shimbir-malabka, iyo
nin yar oo dhuuni ah laguna magacaabay Gingile.
Maalin goor uu Gingile ugaarsi tagay maqlay ci'da
Ngede. Gingile afkiisa ayaa bilaabay in uu
dhareero niyeysiga malab dartii. Wuu istaagay
wuu na dhagaystay si taxadar ah, oo uu raadiiyay
ilaa uu arkay shimbirkii oo laamaha korka
madaxiisa ku jiro. "Jiiq-jiiq-jiiq," ayuu ku shanqaray
shimbiarki yaraa, isaga oo u duulay geedka ku
xigo, hadana kan kale. "jiiq-jiiq-jiiq," ayuu ku ciyay,
istaagayana marba mar si uu u hubsado in uu
Gingile soo raacay.

Saacad barkeed ka dib, waxa ay soo gaareen geed
berde duur baaxad le. Ngede waxa uu si waali ah
ugu boodbooday lamihii geedka. Dabadeedna
waxa uu dul dagay mid ka mid ah lamihii, waxa
uu na madaxiisa ku soo leexiyay Gingille sidii in la
dhabayyo, "Waa kan! Kaaaly hada! Maxaa
wadtiigas dheer u qaadaneysaa?" Gingille kama
uusan arki karayn wax shini ah geedka hooftisa,
lakkiiin waxa uu aminiay Ngede.

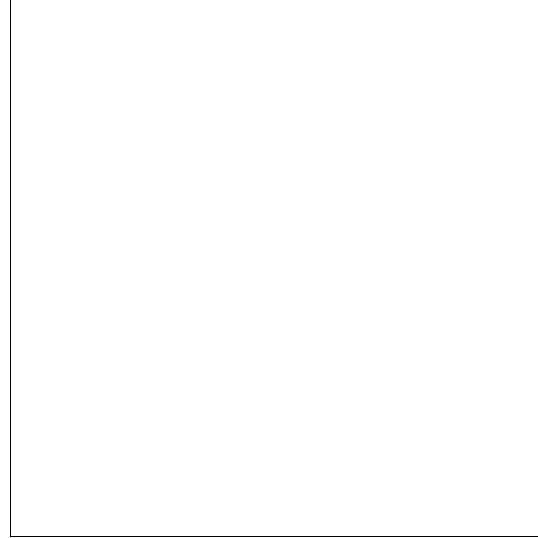

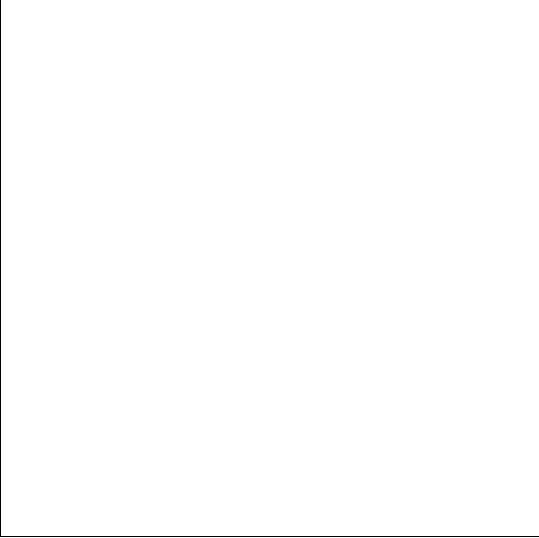

Gingile waxa uu warrankii ugaarsiga dhigtay
geedka hoostiisa, waxa uu soo aruursaday xaabo,
dab ayuuna shiday. Markii uu dabkii si fiican u
shidmay, qori dheer oo qallalan ayuu dabkii
galiyay. Qorigani waxuu khaasatan caan ku ahaa
in uu sameeyo qiiq badan marka la shido. Waxa uu
bilaabay fuullidii, isaga oo ilkaha ku haya dhanka
qaboow ee qoriga qiiqaya.

Sidaa darteed, markii Gingile ay carruurtiisa
 maglaan sheekada Ngede waxa ay ixtirram u
 qaadan shimbirka yar. Mar walba oo ay malab
 soo gurtan, waxa ay xadiijiyaan in ay qeybtu ugu
 weyn xabad barsheedka uga tagaan shimbir
 malabka!

Markeebaa waa qaybtaa qaybtaa qaybtaa
 ee shinnida masquulisan. Waxaa ay ka galaysay
 kana soo baxaysay shinniddu meel duulleesha oo
 gaarray hoygii shinnida waxa uu qorigi qiliiday ku
 geedka jirriidisa ah - hoygeeda. Markii uu Gingile
 riixay meeshii duleeshay. Shinnidi bananaaka ayay
 u yaacday, sababtoo ah ma jeclayn qillaa - laakin
 intaa ka hor waxay Gingile siyeeen xooqaa
 qaninnyo kuulii!

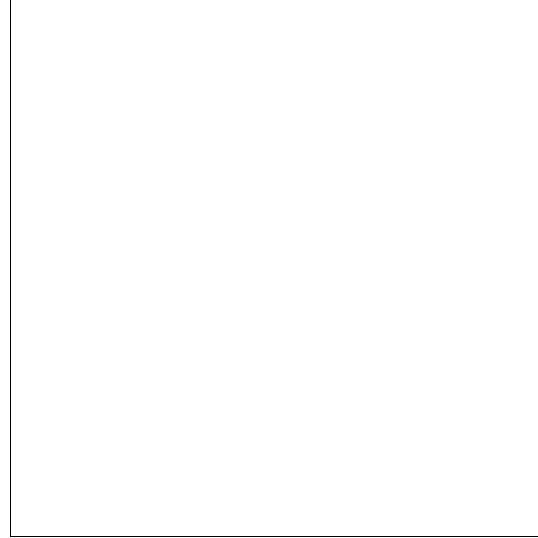

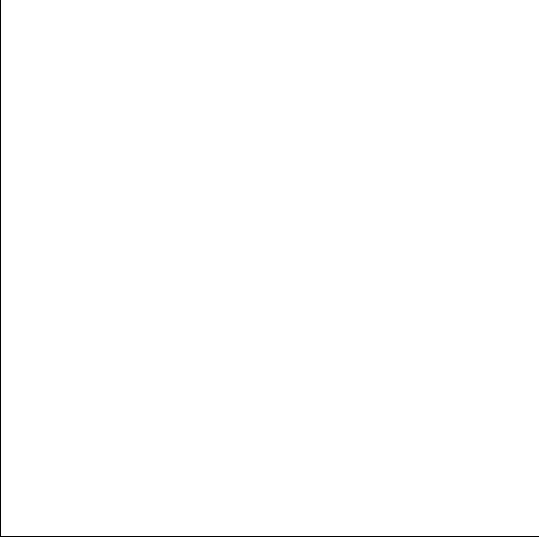

Markii ay shinnidii tagtay, Gingile waxa uu gacantiisa ku riixay buulki malabku ku jiray. Waxa uu kala soo baxay gacan buuxdo xabag-barsheed, tiftifqayso malab iyo diirdiir cadcad oo buudhan. Waxa uu si taxaddar leh ugu riday xabag-barsheedkii kiish uu garabka ku sitay, geedkiina waa uu ka soo degay.

Intii ay haramcaddu weerarin Gingile, si degdeg ayuu hoos uga degay geedki. Degdeggii awgii ayuu laan gafay, waxa uu si shanqar culus leh ugu dhacay dhulka oo wareejiyay canqowgiisi. Sidii ugu dhakhsaha badneyd ee uu karay ayuu u dhutiyay. Nasiib lahaaya, haramcaddu aad bay weli u sii hurdeysnayd haday cayrsan lahayd. Ngede, Shimbir-malabkii, wuu helay aargoosigi. Gingile na cashar ayuu bartay.

Ngede waxa uu si xioso leh u daawanayay wax
 walba oo uu Gingile sameynayey. Waxa uu
 sugayay in uu uga tago cad xabag-barsheed
 buurran ah Shimbir-malabka si mahad celin ah.
 Ngede laanba laan ayuu uga duulay, ugu na sii
 dhaawanayay dhulka. Ugu dambeyn Gingile
 geedka salkisi ayuu gaadhey. Ngede dhagax u
 dhow willika ayuu dul istagay waxuu na suggay
 abaalmarintisii.

Gingile wuu fuulay, la yaabbaana sababta uu u
 magli wayay "Ssssss" di caadiiga ahayd.
 "Malahaa godku quudha geedka ayuu sii jiraa,"
 ayuu ku fikriay. Laan kale ayuu kor usii fuulay.
 Lakkin halki godkii shinnidha eegii laha, waxa uu
 indaha ku dhufty haramcad! Haramcadu aad
 bay uga carootay in hurdaadeedi si edeb darro ah
 looga dhexgalay. Indaha ayay isku kuduudday,
 afkeedana way kala qaadday iyada oo ilkaheeda
 waawayn ee afka badan dibeeda u soo sarraysa.

Laakiin, Gingile dabkii ayuu damiyey, warrankiisii na qaatay oo socodkii gurigiisa billaabay, isaga oo inkiraya shimbirki. Ngede si carro leh ayuu u ciyey, "Fiiq-fifiq-fiifiiq!" Gingile inta istaagay, oo shimbirki yaraa eegay ayuu aad ugu qoslay. "Waxa aad rabtaa xoogaa malab ah, ma rabtaa, saaxiib? Ha! Laakiin hawsha oo dhan aniga ayaa qabtay, aniga ayaana qaatay qaniiyo oo idil. Maxaan kuula qaybsadaa malabkan la jecelyahay?" Dabadeedna wuu iska dhaqaaqay. Ngede aad ayuu u carooday! Ma ay ahayn in sidan loola dhaqmo! Lakiin wuu aargoosan doonaa!

Asbuucyo badan kadib, maalin, markale ayuu Gingile maqlay ci'da malab sheega ee Ngede. Waxa uu xusuustay malabkii macaanaa, si xiiso leh na u dabagalay shimbirkii mar kale. Sidii uu kaynta dhinaceeda ugu horkacayey Gingile, Ngede waxuu dul istaagay geed weyn oo qodxo dallad ah leh si uu ugu nastro. "Ahh," Gingile ayaa ku fikiray. "Godka shinnida geedkan un buu ku yaal." dhaqso ba waxuu samaystay dabkii si yaraa waxa uuna bilaabay in uu fuulo, laanti yarayd ee qiiqeysayna ilkaha ku sita. Ngede wuu fariistay oo iska daawaday.
